1. New coaches must apply and be approved by the Board of Directors before they may teach at club sessions. Coaches listed on the current website are already approved. A coach who is not currently listed but was approved in the past may request that their “approved” status be honored by notifying the Coaches Committee chair.

4. Coaches teaching private lessons must comply with all USFS Coach Compliance Requirements, including Core Certification, Coach I.C.E, background check, SafeSport Training, agree to the USFS Code of Ethics and Standards of Professionalism, show proof of liability insurance, and participate annually in continuing education through the Coach I.C.E. program.
